The Titan one piece chair is the perfect chair for a demanding classroom environment.

It was the first to obtain certification for strength, stability and ergonomics, for educational furniture.

The one piece design removes the need for maintenance and ensures there are no pinch points or sharp edges to cause injuries.

Tables are an essential part of any educational environment. The versatility and durability of tables make a huge difference in how effective teaching is.

Titan have a great selection of multi-purpose PU edged school tables that come in a range of heights & widths, making them suitable for both primary, secondary and further educational spaces.

Supplied flat pack and tested to meet strength and stability standards, these offer a cost-effective solution to creating collaborative spaces.
