Non warranty repairs.	Transport cost + £25.00 + Parts
Refused delivery when delivery previously arranged.	Minimum 10% of order value

General

The risk in the goods shall pass from Steelco Ltd to the buyer upon delivery of such goods to the buyer.

However, notwithstanding delivery and the passing of risk in the goods, title and property in the goods, including full legal and beneficial ownership, shall not pass to the buyer until the seller has received in cash or cleared funds payment in full for all goods delivered to the buyer under this and all other contracts between the Steelco Ltd and the buyer for which payment of the full price of the goods thereunder has not been paid.

Payment of the full price of the goods shall include the amount of any interest or other sum payable under the terms of this and all other contracts between the Steelco Ltd. and the buyer under which the goods were delivered.

All Prices quoted exclude vat.

All goods shall be invoiced at the price ruling at the time of delivery.

Samples are available free of charge for a period of 1 month and will be invoiced at full value unless returned within this period. Sample requests must be accompanied with a covering order number.

Payment of invoices to be made by the end of the month following the date of invoice Steelco Ltd reserves the right to charge interest at 2% above the Bank of England base rate on amounts outstanding after this time. An administration fee of £25 will be charged following any returned cheques.

All pro-forma invoices must be paid in full before goods are despatched.

Cancellation of orders can only be accepted by agreement in writing and a minimum charge of 10% of the order value shall be made.

All invoice queries must be made in writing within fourteen days of the date of invoice.

In the event of any claim, 'Steelco Ltd' liability shall in no circumstances exceed the invoice price of the defective articles.

No liability for any resultant loss or damage whatsoever, direct or indirect of any nature will be accepted by Steelco Ltd.

All illustrations and dimensions in our sales literature are included as a guide only and are not binding upon us in any way.

In an effort to continually improve our products, we reserve the right to amend without notice, materials, specifications or design, which having regard to all circumstances we consider to be reasonable or desirable.

Guarantee

All Steelco Ltd products are guaranteed against defective materials and workmanship under conditions of normal wear and tear in an office environment.

Whilst every effort is made to ensure sound workmanship, we guarantee to replace or repair any items we consider defective provided they are returned to ourselves carriage paid and reported in writing within the warranty period of that product.

Any repair carried out that is not considered by Steelco Ltd to be a manufacturing defect will be subject to a callout charge of £25.00, and callout/collection and delivery charges.

If the product or fabric colour is no longer available, the buyer shall be bound to accept an alternative provided by Steelco Ltd.

Delivery

Orders over £300.00 ex vat will be delivered free of charge to your premises.

Orders under £300.00 ex vat will be subject to a small delivery charge of £15.00

Delivery to a third party, (U.K Mainland, Ground floor only) will be charged at 5% of the net invoice value, with a minimum charge of £15.00, whichever is the greater.

Whilst Steelco Ltd will do all within their power to meet delivery dates we shall be under no liability whatsoever for delay or failure to deliver for any cause nor from any loss or damage arising therefrom.

All deliveries are to ground floor only.

In the event of goods being delivered but not accepted when we have made reasonable arrangements to do so a minimum charge of 10% of the order value shall be made.

Steelco Ltd aims to deliver all stocked items within 7 to 10 working days from receipt of order to the U.K. mainland only.

Damages or shortages via our own transport must be noted at the time of delivery. Delivery noted signed "unexamined" cannot be accepted.

Damages or shortages via other carriers must be reported in writing within three days from receipt of goods.

Product information

The Kirby range of Operator and Task chairs offers a cost sensitive contract range of seating to suit most applications.

The range has been designed for use in an office or at home.

The Operator version has a standard 2-lever mechanism with permanent contact back while the Task version has a 3-lever heavy duty mechanism with independent seat and back adjustment and ratchet back height adjustment.

The Kirby family is available in a range of different sizes, colours and styles to suit every taste and functional requirement.

- Medium, high and extra high back.
- Visitor, Draftsman and checkout chairs.
- Jumbo Operator and Jumbo Task chair.
- Bariatric version with extra wide seat and aluminium base.
- Huge range of optional extras including seat slide, lumbar support and foldaway arms.

Group 5	£255.83	£302.02	£334.00	£358.88

Product information

A durable seating range with a high level of comfort and style.

The Operator and Task chair versions have a choice of a contoured medium or high back for added back support.

The Operator features a PCB mechanism while the Task has a mechanism with independent seat and back adjustment. Both versions have a choice of modern loop or height adjustable arms.

Our Executive Ascot has a large comfortable seat and a box tilt mechanism with upright lock. A black cantilever or 4-legged wooden visitor chair also match and compliment the range.

Modular Reception Seating

Product information

A cost-effective range of modular seating designed with budget in mind. The range includes two matching upholstered tables – either square or rectangular – with a beech top. The new concave and convex units can also be used together to form a snake effect. Three of the concave units together will form a 90° angle.

Desks & Wooden Storage

Products

All products are supplied flatpacked except for pedestals and filing cabinets. Both these product ranges come without the feet and handles fitted.

All of the products contained in this price list have a 5 year guarantee.

Assembly

Tambours, bookcases and storage products can be supplied assembled.

Please contact the office for prices and details.

Colours

Group 1 colours are Beech, White, Pearl Grey, Whightened Oak and Amber Oak with metallic Silver metalwork.

Group 2 colours are Grey Wood, Sand Ash, Cubanit Grey and Dark Walnut.

White or Black metalwork is available as an alternative on all ranges. NOVA is also available with Dark Grey or Black metalwork.

Please contact us for stock levels.

MFC Finishes

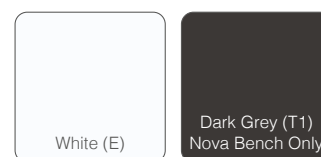

Group 1

Group 2

Metal Finishes

Important Information

Lead times for non stock products and non stock colours are four to five weeks*.

Any order which includes non-stocked products will be treated as a special order and therefore non returnable.

Order codes are made up of individual part numbers which are displayed on all boxes, eg DCA121 = G2A054 and G3C016.

Extent of Range

This price list contains only a small selection of the products and ranges available.

Please contact our office for further information relating to any other range.

*Subject to factory lead times when the order is placed.

MORE INFORMATION

TWIST&SIT SOFT LOUNGE

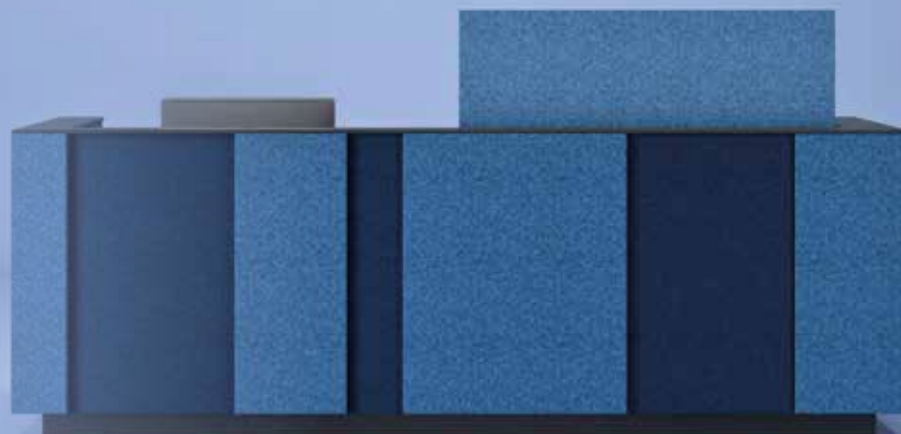

FURNITURE with its expressive design is an invitation to pause and to take a break from the hectic pace of the day. These lounge seaters will help you add a homely feel to your office spaces and create a relaxing atmosphere.

DOMINO

“Exceptional, flexible, modular. Become a creator, mix different materials (Fabric+Veneer/HPL) and play with colours.”

The reception furniture is suitable with sit-stand desks to fulfil an ergonomic workplace.”

ARCIPELAGO WOOD

"One of the distinguishing features of an island is the natural protection. An island is a fortress, a castle in the middle of the sea.

Here it is, our fortress in the archipelago. A space where you can rediscover a calm, reserved place where you can find concentration and privacy, a workplace protected from the surrounding space, where you can have meetings and work far away from the noise around you."

ARCIPELAGO WOOD

WIND

"The inspiration for this product was born from the desire to create a simple but very versatile chair. In addition, we felt the need to give this product a decisive character – an element defining its identity."

Chair family with ergonomic features, functionality and unique design to create more comfortable and productive workplace.

SILENT ROOM

A free-standing room for temporary meetings or individual work. This private space has great acoustic features, ventilation, lighting and connectivity for better concentration and work performance.

MOVE!

“MOVE! is a slogan of today’s people that represents the victory of modern mobility against stagnation. A true modern leader is driven and open to innovation, a cosmopolitan dictating healthy lifestyle.”
